PAYMENT ARRANGEMENTS

As the school uses ParentPay for payment of transport fees, you will be issued with the login details separately by letter or email. Once you have these, it is very important to activate your account immediately and make payment on a regular basis, this should be at least monthly for school transport as the school is invoiced monthly by the coach operator.

Absence

There will be no refunds if your child is absent through illness. If, in exceptional circumstances, holidays are taken during term time, the full fee is still payable – **there will be no refunds for days missed.**

Notice of Leaving

You need to give notice of the intention to have your child/children removed from the transport, or to reduce days. Any outstanding fees will need to be paid in full up to the date of leaving. Notice to leave is 1 (one) term.

Non-Payment of Fees

If any family anticipates that they will not be able to pay their fees on time, they should discuss this with the Finance Officer or Business Manager without delay. Any information discussed is treated in the strictest of confidence as part of our confidentiality agreement.

The policy of the Governors is to ensure that all viable steps are taken to recover money due to the school. **Any debt recovery action will incur additional charges.**

The Governors aim to minimise the number of instances that credit is given and to take prompt and appropriate recovery action in respect of unpaid debts. Access to transport may be withdrawn at any time if outstanding arrears are not cleared.

- Outstanding debts will be monitored regularly, and correspondence will be issued via ParentPay or by email to the payer of the ParentPay account.
- Reminders to pay will be issued on a regular basis.

- Should payments not be made on a monthly basis, the school reserves the right to withdraw the service (Pat's Coaches) with immediate effect, it will remain your responsibility to ensure your child (ren) can attend school.
- Other schools will be notified to prevent the debtor defaulting on possible other debts.

If payment for the balance in fees is not forthcoming the school will instruct a debt collection agency to collect the fees. The school has engaged the service of Daniels Silverman Limited, additional charges to recover any debts will be added for this purpose and a three step process of recovery will be followed:

1. A letter will be sent after the Governing Body/School has taken the decision to pursue any outstanding debt.
2. If this is not responded to within 10 days a Court Action will be issued.
3. If the debt is still not paid then the solicitors will move to Judgement and Execution and the debt will be repaid by this means.
